

**“I knew
I parked
too close
to that
Carnes
exhaust
fan.”**

WARNING: *Carnes Fans Really Blow!*

Possible side effects include items blowing away such as cars, trees, and people. Carnes does not take responsibility for such events. You may consider taking your wife's car to work next time.

Carnes Propeller Fans:

- Up to nearly 70,000 CFM.
- Optional UL-705 or C-UL listings.
- AMCA certified.
- L50 rated bearings for 200,000 hours.
- Standard ODP motors. Two speed, explosion proof, totally enclosed, and high efficiency motors are available.
- Factory run tested for quality assurance and reliability.
